3 Cut the nose and mouth out of black paper. Glue the nose, mouth, and googly eyes to the bottom of the bag.

4 Cut two rounded ears out of yellow paper. Cut the inside of the ears out of orange paper. Glue the pieces of the ears together. Glue the ears behind the corners of the bag.

5 Cut two arms out of yellow paper. Glue an arm to each side of the bag. Cut small triangles out of black paper. Glue them to the ends of the arms for claws.
